

CONSENT AGENDA

ITEM SUMMARY

MEETING DATE: SEPTEMBER 17, 2024

SUBJECT: Sale of Brush 57

DISCUSSION/BACKGROUND:

Brush 57 is a Yellow 2008 GMC 5500 that was purchased new by High Country Fire. Due to its unique design and pump capacity, we have struggled to find a good use for the truck for years. It has been out on deployment, but again, due to its unique design, it is not a great fit for that either. Recently, we have completed numerous repairs on it, and we are now having a hard time getting parts; most of the items we have needed are discontinued by GM, and our mechanic has been purchasing used items to keep it going.

Brindlee Mountain Fire Apparatus has offered us \$45,000, including a very old pump and extrication tool set.

FINANCIAL/ECONOMIC IMPACT:

We are weighing some options for using the funds from this sale, but I am not ready to make any decisions.

Date Quoted: 9/16/2024

Paul Ondr,

Thank you for allowing Brindlee Mountain Fire Apparatus, LLC ("BMFA") the opportunity to provide an offer to purchase the Apparatus. We are pleased to offer Timberline FPD - CO ("Seller") \$45,000 for the purchase of the Apparatus, subject to the terms and conditions set forth herein.

The offer is valid for acceptance by Seller until 9/30/2024. **Seller must communicate acceptance of this offer to BMFA via email or otherwise in writing on or before 9/30/2024.** If Seller accepts this offer on or before the date set forth above, this offer becomes a contract of purchase and sale of the Apparatus.

Seller shall release the Apparatus to BMFA on or before 10/31/2024. All ground ladders, discharge caps, intake plugs, generators (permanently mounted and portable), cascade systems and cascade bottles, and permanently mounted items such as light towers, shall remain with the Apparatus and shall be released to BMFA.

BMFA shall pay Seller the full purchase price via Check or Wire Transfer at the time of or prior to the release of the Apparatus.

Seller shall provide a pump test certificate for the Apparatus dated within 30 days prior to the release date with results satisfactory to BMFA, including proper operation of the pressure governor, relief valve, primer, and foam system if applicable.

portable pump and rescue tools to be included

Seller represents and warrants that the description, condition, and specifications of the Apparatus provided to BMFA are true and correct. Any Apparatus with a light tower must be fully functional unless other provisions are agreed upon with BMFA.

Seller represents and warrants that all prior damage of any type (including but not limited to collision, fire, flood, and material rust or delamination on frame rails or structural components) has been disclosed to BMFA prior to Seller's acceptance of this offer. Seller shall immediately disclose to BMFA any damage to the Apparatus occurring after Seller's acceptance of this offer. In the event of such damage, at BMFA's option the purchase price of the Apparatus shall be adjusted downward to account for such damage and Seller and BMFA shall negotiate in good faith to determine the amount of such purchase price adjustment.
