Timberline Fire Protection District
Board of Directors
660 Highway 46
Black Hawk, CO 80422

Dear Board of Directors:

The Timberline Volunteer Firefighter Foundation would like to thank the Timberline Board of Directors, Chief Paul Ondr and the Timberline Firefighters and their amazing family members for their work to support the Foundations efforts at the Gilpin County Fair. We had amazing assistance from heavy lifting (set-up and tear down), cooking hamburgers, and running for supplies. We would not have had as successful of an event without this valuable support.

The Foundation raised slightly over \$7,000 over the three-day period. We are incredibly humbled by the generosity of our community and look forward to using those funds to enhance and support Timberline Firefighters and their family members.

Sincerely,

The Timberline Volunteer Firefighter Foundation
Board of Directors
